Also Name Committee to Draw Up Revision of Constitution for Reorganization of Club.

A special meeting of the board of directors of the Connecticut Automobite association was held yesterday at the quarters of the New Haven Automobile club, at which the subject of good roads and the reorganization sion of both of these issues led to votes to have a committee appointed to take inlatory steps and to make re-ports on which the association mighact. A report by Attorney Charles M. Robinson on criticisms of the commis-sioner of the highway department and on replies made by Commissioner Mac-donald was read to the board and or-dered to be filed for further reference.
